Poetry & Music

Naked Earth — Naked We

Join this engaging duo as they respond to the Earth's magic callings and vulnerability, through their performance of poetry and acoustic guitar.

Raphael Block

www.rafaelblock.com

Raphael Block's poetry speaks to Earth's call for a heartfelt response to our global crisis. He spent a good portion of his adult life in London where British English shaped his ear for sound. Raphael breathes in wonder at the Earth's and our own rhythmic ebb and flow.

David Field

www.davidfieldguitar.com

David Field is a solo guitar instrumentalist who has a unique, romantic and flowing style. His gentle manner and relaxed demeanor reveal an artist of great technical and emotional depth. David's sensitive arrangements weave a beautiful tapestry with Raphael's words.
