

Join us for a celebration of
Bats and Butterflies as Pollinators!

Saturday March 25th at the Florida Museum of Natural History and Lubees Bat Conservancy.

Schedule:

10:00 AM– 12:00 PM at the Florida Museum of Natural History in Gainesville.

See the beautiful new butterfly rainforest, and enjoy presentations on pollinators, hands-on activities, and bats.

10:30 AM– Butterfly release

11:00 AM– Presentation by Dr. Allyson Walsh, Lubees Bat Conservancy “Bats– the Forgotten Pollinators”.

12:00-1:30 PM– caravan to Lubees Bat Conservancy to see our one of a kind facility housing the largest collection of Old World Fruit Bats anywhere in the world, and learn about bats’ vital role in pollination and seed dispersal.

Please email us at info@lubees.org or call us at 352-485-1250 for more information about this event.

Bring your old printer cartridges and cell phones and help Lubees recycle! Lubees receives a much needed donation for each printer cartridge and cell phone we send in. This fundraiser is ongoing and free to participate, and you can donate your cartridges all year long. Please email us at info@lubees.org for more information.
