## **Häagen-Dazs Postdoctoral Research Fellowship in Honey Bee Biology**

The Department of Entomology, University of California, Davis, seeks outstanding applicants with Ph.D. degree in entomology or related discipline for the Häagen-Dazs Postdoctoral Research Fellowship in Honey Bee Biology. Unique opportunity for self-motivated scientist to work independently and collaboratively in a collegial and productive research environment at the Harry Laidlaw Jr. Honey Bee Research Facility (<http://entomology.ucdavis.edu/dept/beeBio.cfm>) for a period of one year. Renewal is contingent upon research progress and availability of funds. Salary is commensurate with experience. Submit package (one pdf file), including a problem-solving research proposal on honey bee biology, health, or pollination services; CV; 3-5 relevant reprints; and 3 letters of reference to Lynn S. Kimsey, Professor and Chair, c/o Kathy Garvey, communications specialist, at [kegarvey@ucdavis.edu](mailto:kegarvey@ucdavis.edu). Open until filled but to ensure consideration, applications must be received by April 25, 2008. The UC Davis Entomology Program is ranked number 1 in the country by the Chronicle of Higher Education (<http://chronicle.com/stats/productivity/page.php?bycat=true&primary=9&secondary=69&year=2007>)

The University of California is an affirmative action/equal opportunity employer.
