

Make a Difference

Report Pesticide Impacts on Wildlife and the Environment!

There is a *new* reporting mechanism online, and it was designed to be *quick* and *easy* for busy professionals.

This new portal from the National Pesticide Information Center is intended for pesticide incidents that affect wildlife and the environment. You are encouraged to report such incidents at the website below.

<http://npic.orst.edu/eco>

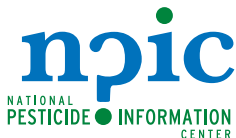

HOW TO REPORT...

pesticide impacts on wildlife and the environment

- 1) Go to <http://npic.orst.edu/eco>
- 2) Answer required questions
- 3) Click "Save"

If you have questions, call 1-800-858-7378, seven days a week

Thank you for your time!

The National Pesticide Information Center (NPIC) is a cooperative effort between Oregon State University and the United States Environmental Protection Agency.
