Workshop on
**HONEY BEE GENOMICS
& BIOLOGY**
May 8 - 10, 2011

Abstract Deadline: February 18, 2011

Christina Grozinger, *Penn State University*
Uli Mueller, *Saarland University, Germany*
Robert Page, *Arizona State University*

We are pleased to host the second workshop on **Honey Bee Genomics & Biology**, which will begin on the evening of Sunday, May 8, 2011 and run through lunch on Tuesday, May 10, immediately preceding the Cold Spring Harbor meeting on The Biology of Genomes.

In keeping with Cold Spring Harbor tradition, the format of the workshop will include morning, afternoon and evening sessions consisting of short talks, limited to approximately 12 minutes, principally on unpublished work. Abstracts should contain only new and unpublished material and must be submitted electronically by the abstract deadline. Selection of material for oral and poster presentation will be made by the organizers and session chairs. Status (talk/poster) of abstracts will be posted on our Web site as soon as decisions have been made by the organizers.

We are eager to have as many young people as possible attend since they are likely to benefit most from this meeting. We have applied for funds from government and industry to partially support graduate students and postdocs. Apply in writing to meetings@cshl.edu stating need for financial support - preference is given to those submitting abstracts.

Invited Speakers

Martin Beye,
Heinrich-Heine Universität, Germany
Andrew Feinberg,
Johns Hopkins University
Hugh Robertson & Gene Robinson
*University of Illinois,
Urbana-Champaign*

Sessions and Co-Chairs:

- **Population Genetics,
Evolutionary &
Comparative Genomics**
*Charlie Whitfield &
Juergen Gadau*
- **Epigenetics & Genomics**
Soojin Yi & Greg Hunt
- **Neurobiology & Behavior**
*Dorothea Eisenhardt &
Ricarda Scheiner*
- **Physiology & Development**
Gro Amdam & Guy Bloch
- **Immunity & Host-Parasite
Interactions**
Jay Evans & Elke Genersch
