Gift Guide 2011

**Bonus!**

## HOLIDAY GUIDE BONUS!

Hi again! I just thought of some fun new product ideas for you to show your support for pollinators... and solve your holiday shopping needs! Got a wildlife-loving friend or family member? They'll love these!

I wanted to share my new ideas with you now, so here's a bonus to the gift guide you received earlier!

I think this new line of "i heart pollinators" stuff will be really popular. As a subscriber, you're getting access to these new products before they're even available on the website!

Click on the image to be redirected to the order page, or paste the link into your browser. Order now for yourself, your friends, and your family!

Warm regards,

*Athena Rayne Anderson*

Stay warm and show your support for the Pollinator Conservation Movement with this warm, thick hoodie! Spread the word about the importance of pollinators when you shop and drive with the bag and bumper sticker!
