Pollinators positively affect all our lives- Let's SAVE and CELEBRATE them!

Did you know? One out of every three bites of food we eat is because of a pollinator.

Across the globe people are celebrating National Pollinator Week from June 20-26, 2016. Join us for fun activities and exhibits on honey bees, bats, monarch butterflies and other pollinators that highlight the work of USDA agencies, other federal departments and partners.

What: USDA's Pollinator Week Festival

When: Friday, June 24, 2016

Time: 10:00 a.m. - 2:00 p.m.

Where: Outside USDA Headquarters
