**Saturday, March 16, 2019, 1-5pm**

Q?rius, The Coralyn W. Whitney Science Education Center  
Smithsonian National Museum of Natural History

***Free Event for Teens Ages 13-19***

**Sign Up Here: <https://tinyurl.com/TeenEarthOpt>**

## Come celebrate Earth Optimism 2019: **A Focus on Food!**

### **HANG OUT**

Meet other local teens and enjoy FREE sustainable and local food!

### **BE EMPOWERED**

Explore ways to make informed decisions about food: nutrition, health, sustainability, security, culture, and more

### **BE INFORMED**

Talk with scientists, food experts, community leaders, and your peers about aspects of food you never thought of

### **GET INVOLVED**

Find out about Earth Day events, internships, places to visit, and local projects

***Q?rius will be closed to the public and open only to teens, ages 13-19.***
