

Pollinator Habitat Guidance & Help

Join The Bee & Butterfly Habitat Fund and Hocking Soil & Water Conservation District for one of two webinars being presented in January. Learn about new options to help you design, establish and manage pollinator habitat projects.

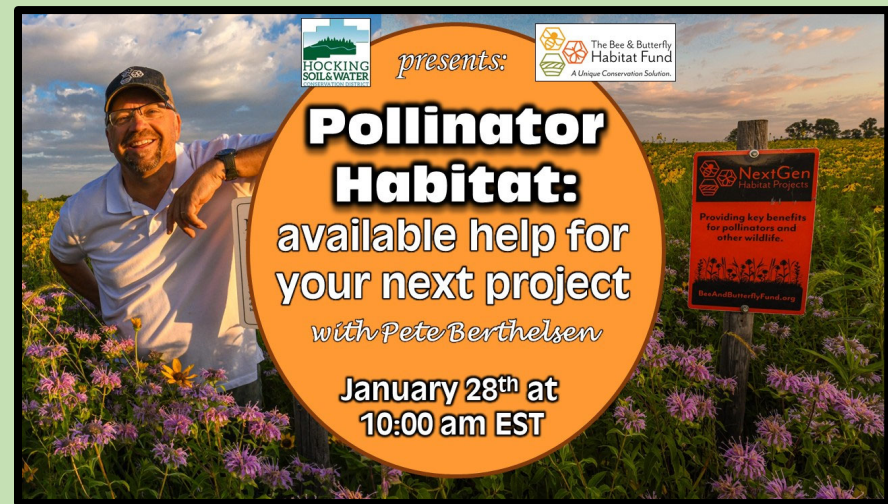

The graphic features a man in a white polo shirt and a baseball cap standing in a field of purple flowers. A large orange circle is overlaid on the image, containing the following text: "HOCKING SOIL & WATER presents: The Bee & Butterfly Habitat Fund A Unique Conservation Solution. Pollinator Habitat: available help for your next project with Pete Berthelsen January 26th at 6:00 pm EST". In the background, a sign for the "NextGen Habitat Project" is visible, which reads "Providing key benefits for pollinators and other wildlife. BeeAndButterflyFund.org".
